RELEVANT DATA

The purpose of this agenda item is to obtain approval for the District to participate in several purchasing consortiums: 1Government Procurement Alliance (1GPA), Mohave Educational Services, Arizona Department of Administration State Procurement Office, Strategic Alliance for Volume Expenditures (SAVE), Greater Phoenix Purchasing Consortium of Schools (GPPCS) and The Cooperative Purchasing Network/National IPA (TCPN).

It is in the best interest of the District to continue to use cooperative contracts to allow the District to save on administrative costs while seeking the best possible products and services at the best possible prices. These consortiums pool the purchasing power of public agencies to achieve bulk volume discounts and competitively solicit quality products through a lead public agency. Contracts shall be reviewed by the purchasing department and due diligence shall be performed as required to ensure the contracts meet all procurement requirements as directed by the Arizona Office of the Auditor General. This recommendation is in the best interest of the District and is in accordance with school district procurement rules. The attachment entitled "Procurement Authorizations" are samples of the types of consortium contracts approved by the District.
