

Determination RESPONSIBLE / NON-RESPONSIBLE BIDDER OR OFFEROR

Under State of Arizona School District Procurement Rules R7-2-1076 (A), "The school district shall make a written determination that a bidder or offeror is responsible before awarding a contract to that bidder or offeror;" and (B) "If the school district determines a bidder or offeror is non-responsible, the school district shall promptly send a determination to the bidder or offeror stating the basis for the determination. The school district shall file a copy of the determination in the procurement file".

The District hereby determines that the vendors recommended for award are responsible bidders based on the following:

- Better Business Bureau Report
- Valid license issued by State of Arizona Registrar of Contractors
